Volume 4, Issue 2

Dear Soul winning Partners,

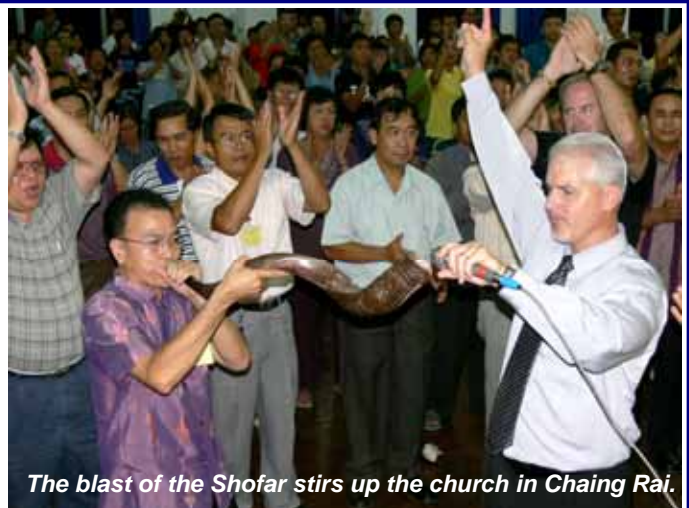

Grace and peace to all in the mighty name of Jesus! I'm writing to let you know that our mission trip in September-October was fruitful and Jesus gave us the victory. 1 Corinthians 15:57-58 says, "but, thanks be to God, who gives us the victory through our Lord Jesus Christ. Therefore my beloved brethren, be steadfast, immovable, always abounding in the work of the Lord, knowing that your labor is not in vain in the Lord."

Partners, Jesus is doing a mighty work in Thailand and Myanmar. We are so blessed to be a part of what He is doing. Cindy Jacobs, a prophetic intercessor, was in Bangkok, Thailand earlier this year and prophesied that revival was going to break out in Northern Thailand and flow down into Southern Thailand. We experienced the beginning of this while holding 4 nights of revival in Chaing Rai. The building was packed with 400 plus every night. The people were expressing their love for Jesus mightily in praise and worship. It was electrifying! They had banners waving, the shofar blowing, revival had begun. Many souls were born again. People were healed through out the crowd as they worshipped Jesus. No man had to lay hands on them. As the praises went up the Glory came down. It was awesome!! Jesus gave us the victory!

Our next trip is set for January 29 to February 10, 2007. We are going to hold a 3 day youth rally. I see Jesus doing a great work within the youth and I believe we are to go help them grow spiritually. Sometimes the older people are set in their ways and don't want to make any further progress but the young want more of God. They are hungry and not satisfied. They are ready to go over the Jordan and possess the land flowing with milk and honey! They are the young Joshua's and Caleb's, say-

ing, "we can take this land." (Numbers 14:6-9) We are going to encourage them to go ahead and take Thailand for Jesus! We also plan to hold a large Pastors conference in Chaing Rai, and invite pastors from Fang and surrounding areas to come. We will also be holding several night crusades to evangelize the lost.

Brother Tim Shore and myself spent some wonderful time with the orphans. They sang songs for us and could quote the books of the New Testament. They are being taught about Jesus and how much He loves them. We took them shopping for winter clothes and jackets. They were so precious getting those new clothes. I wish you could have seen their eyes light up when we told them they all could have a new toy. We also took them swimming at a beautiful waterfall. The water was freezing but they had a great time. We laughed and played and had a won-

derful time together. There are a total of 17 in the orphanage now. Partners thank you for building this orphanage. It is beautiful and well built with tile floors and very spacious. Without you and the Grace of God it would not be there. The clothes and toys that were bought were purchased by you. The seeds you are sowing are going in good ground! Please continue to be steadfast, immovable, helping us abound in the work of the Lord, knowing that our labor is not in vain.

If any of you are interested in supporting one of the orphans on a monthly basis please let me know. If you have any questions I'll be glad to talk to you. Also, if you have an email address, email me your address and I will be able to keep in touch with you more often. I can also send you pictures by email.

Thanks again for your prayers and support. I'm praying for you all. Together we are making a difference. We are a team and we are winning souls for the Kingdom of God. I know, My God shall supply all your need according to His riches in glory by Christ Jesus! Philippians 4:19

By Grace Alone,
